

WisDOT/ACEC - WI Transportation Improvement Conference Elkhart Lake, WI

The Wisconsin Improvement Conference sessions can be viewed as a Webcast.

Select the topic of your choice listed below, click on the link, and that session and all slides displayed during the presentation will be shown through your web browser. All you need to view these sessions is a fairly fast Internet connection (56 KB modem, minimum), Microsoft's Media Player (normally comes standard with any Windows installation), and speakers or headphones connected to the sound card on your computer.

These Webcasts will be stored on the server for an indefinite time period, so you're welcome to watch them at your convenience and as often as you wish.
