

WisDOT to sponsor grant application training workshops in June, 2009

“Requirements, Expectations and Recommendations for Transit Grant Application Submissions”

WisDOT is sponsoring four training workshops for transit grant program application preparation and submission. The workshops will include two concurrent sessions, each of which will be presented twice at every location affording all attendees the ability to attend both seminars:

- General session - requirements, expectations and recommendations for document preparation and submission of the current New Freedom, STRAP and WETAP Requests for Proposals for projects implemented in 2010, and
- WisDOT Transit staff panel – learn about the federal transit grant programs administered by WisDOT as well as an update on the outcome of the transportation coordination planning processes conducted in 2008.

Workshops will include refreshments and a light snack. RTAP scholarships are available for those who are eligible.

RTAP scholarship application materials are available on the WisDOT Web site at

<http://www.dot.wisconsin.gov/localgov/transit/rtap.htm>

Those who plan to attend must RSVP no later than noon on Fri., May 29. Complete the [registration form](#)  and email to plannerpro@tds.net.
