3. How do you plan to utilize this training?

4. How will your employer support you as a child passenger safety technician?

### Permission to post name and contact information on the NHTSA web-site:

SAFE KIDS maintains a listing of CPS technicians and instructors for the National Highway Traffic Safety Administration (NHTSA). This information is publicly available on the NHTSA web-site ([www.nhtsa.dot.gov](http://www.nhtsa.dot.gov)) or other sites sanctioned by the National Child Passenger Safety Board. Please indicate by checking below whether you agree to your information being made available to the general public through these web sites. Note that if you do not agree, your information can be accessed by you, NHTSA regional representatives, state CPS coordinators, and other administrators authorized by SAFE KIDS.

- I agree to allow the above information to be made publicly available by NHTSA on the Internet and understand that this information may be accessed by anyone using the Internet
- I do not give permission for this information to be made publicly available by NHTSA on the Internet, but understand that certain information will be available to the other parties listed above.

I understand that Child Passenger Safety Technician status is an entry-level qualification. To become proficient and to successfully re-certify I must meet all the following requirements:

1. Must check 5 safety seats verified by an instructor at safety events.
2. Community event (one check up or community workshop)
3. Continuing education technical information (6 hours)

Make Checks payable to: WINS CPS Training  
52 Sunset Blvd.  
Stevens Point, WI 54481

Registration fee for WI residents includes lunch and expenses- \$250.00  
National SAFE KIDS Certification fee- \$60.00

**Total Registration Fee Due - \$310.00**

Please refer to the web-site [www.wcpsa.com](http://www.wcpsa.com) under certification training for a complete list of terms.

Certified technicians use a variety of resources when checking seats. Check with your organization or fitting station to determine if a LATCH/tether manual and car seat instruction manuals are available for your use. If not, or if you are the first in your organization to be a certified technician, we recommend pre-ordering these resources for delivery on the first day of class. You may include payment with your registration fee or call for an invoice. Items MUST be pre-ordered. Extras are not available at the class. Please check which items you would like to pre-order.

	<b>\$25.00 2007 LATCH/Tether manual</b>
	<b>\$12.00 CD with car seat manufacturer instructions</b>
